## About Study Links

Founded in 1998 and recognised as an award-winning family-run business, we are proud to say that we are one of the UK's leading and most established guardianship companies.

Study Links works alongside the best schools in the UK to ensure the education provided is accessible and beneficial to the individuals under our care.

We are devoted to the progression of our students and are passionate about their well-being and education. We deliver comprehensive and professional support to ensure our students have a positive and valuable study-abroad experience. The Study Links team's personal experiences of studying and teaching in the UK help inform this approach.

There are many routes to success - to ensure that we meet each student's unique needs, we offer an array of high-quality services throughout the UK.

# Areas of Expertise

## Guardianship – AEGIS accredited

UK independent schools recommend that Study Links provide guardianship for their international students. We offer 4 guardianship packages which can be further tailored to meet the needs of your family.

“Study Links are a highly experienced organisation and benefit from the continued involvement of the founding directors. Staff benefit from robust systems and procedures that are well-embedded. The team provide excellent support and regular communication with students; often in their first language.”

## Short-term Study Programmes

Our programmes help students develop an international outlook, improve their English language skills, increase their cultural awareness and make long-lasting friendships with British students.

Study Links' Short-term Study Programme options include:

- Term-time immersion into daily school life
- Holiday Camps with native English-speakers
- International Holiday Camps in the UK

Visits can be from one week to one term and are increasingly popular with international students.

These programmes are a great way for your child to experience world-class authentic British education before committing to long-term study.

## Homestays – meet British Council requirements

Study Links homestays provide students with a unique opportunity to experience family life in the UK. Students in homestay more rapidly improve their skills and their confidence communicating in the English Language.

Our homestays are carefully selected to care for and support our students during their stay.

Long and short-term homestay options are available.

## Complementary Services

Every child is unique and their needs can change throughout the year.

To ensure families have the full support they need, Study Links offer a range of complementary services available on request.

## Guardianship Packages

### Elite Guardianship

Our VIP package for families looking for the very best level of care.

Also recommended for families who are not confident with English, where your child may be nervous about studying in the UK or may require additional care. Full educational and pastoral support is provided.

### Classic Guardianship

This package is recommended for families who require educational support from Study Links, for children who are mature and independent and will be comfortable in a UK boarding school.

### Limited Guardianship

This package is recommended for families who are confident with their English and are able to communicate directly with schools themselves for all academic and pastoral needs. Children on this package are independent and mature and have some experience of living/studying in the UK. Available to EU, HK & Macau students.

### First Response Guardianship

This package is recommended for families who need an experienced guardian in an emergency only. Available EU and university students.
